

“Custom Is What We Do”

Metal Division

CARE & QUALITY

Stainless work on a yacht looks impeccable when competed with care and quality standards are in place. YRM understands that and places every bit of our knowledge and resources into the fabrication and delivery of stainless steel railings, anchor rollers, tender chocks, yacht davits & cranes

METAL DIVISION

Stainless steel railings
Anchor rollers
Tender chocks
Yacht davits & cranes
Rub rails and other stainless and aluminum products

INNOVATION

Innovation and quality of our products is just part of YRM’s customer promise. Our Metal division delivers this to every customer. YRM factory trained technicians install patented design chocks and davits based on your custom specifications.
